Evenly space the slats across the support frame then attach using the screws provided while pushing the 2 side rails together. (Assistance may be required for this). We recommend starting with the first and last slats after adjusting the slats to the support frame.

Wipe clean with a slightly damp soft cloth. Avoid the use of all household cleaners and abrasives. When moving your furniture, carefully lift into place. Never drag or push the pieces across the floor as this will cause damage to the joints and could result in failure to the product that will invalidate the warranty.
