STEP 21

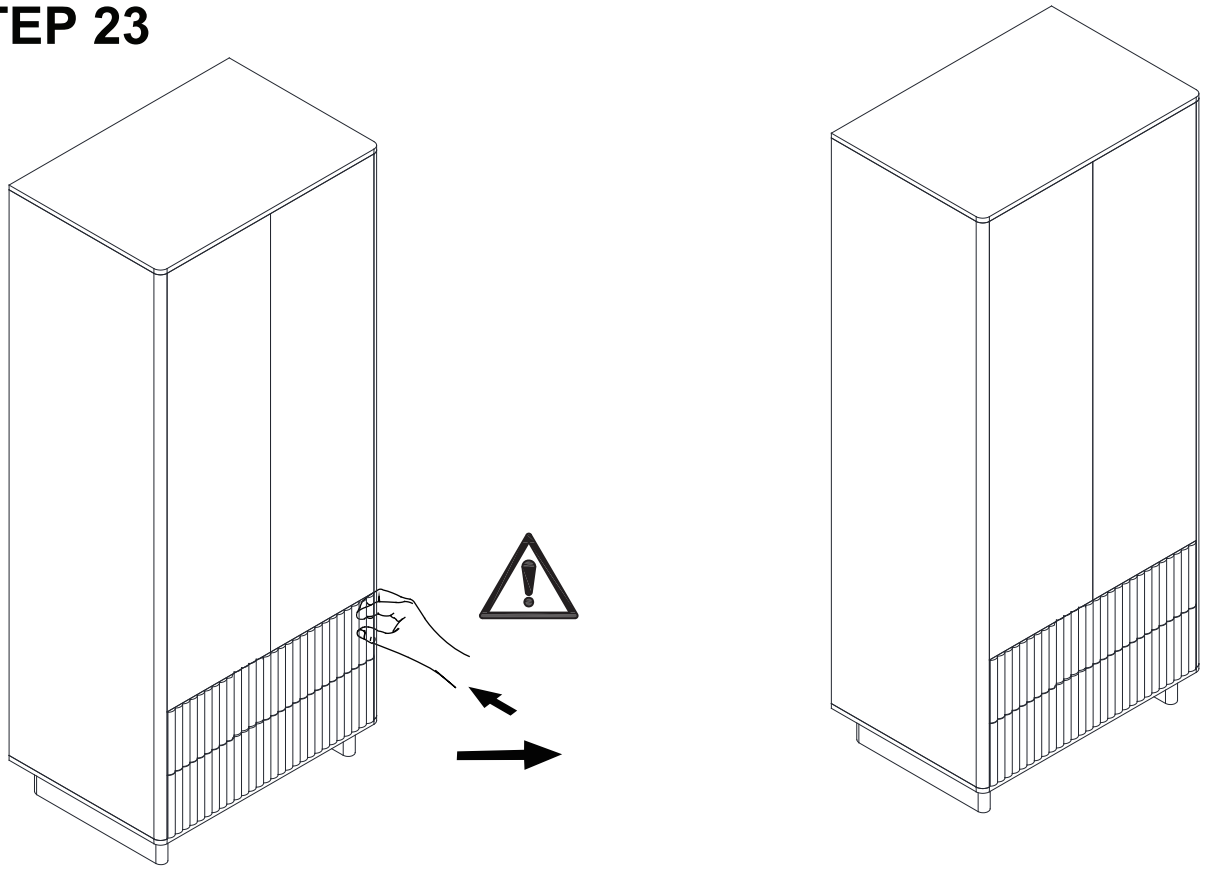

STEP 22

To open the drawers smoothly, gently push on the labeled area. This will release the mechanism and allow the drawer to slide out easily.

STEP 23

If you press on the side (left or right), the drawer may not slide out, as to release the drawer smoothly it requires you press the centre of the drawer front as shown.
In this case,simply press again on the same point to reposition the panel and try again with press on the Centre.
